The screenshot shows a web interface for a chiropractic news service. It features several sections: a header with the text 'The Power that made the body Heals the body', a main article titled 'Pulmonary Function and Neck Curve Improved with Chiropractic Care' with a sub-image of a woman and text about a study, a weather forecast for Marietta, and a photo gallery. Red arrows from the text on the left point to these specific sections in the screenshot.

Setting up the CNS is EASY!

- 1) Set up a flat screen monitor in your waiting, EDUCATION room.
- 2) Connect the flat screen TV to an online computer.
- 3) Download the free Internet browser Mozilla Firefox.
- 4) Log into your NYK Central account you will get at signup.
- 5) Click on the icon for "Chiropractic News Service".
- 6) You can click to personalize the various areas of this service.
- 7) Click on the "Launch My Chiropractic News Service".
- 8) Follow the online instructions to launch at full screen.
